LIVE IT

God's love is so big that we can't fully understand it. When we fail, He loves us. And even after that, when we fail again, He *still* loves us. It's a love that's supernatural. What's a way you can love others this week in the same way God loves you?

A thought we should have every day is:
How can I express God's love to others?

LEAN ON GOD

Dear God,

Thank You so much for this day. Thank You for sending Your Son to die on a cross for us. God, You are amazing and thank You so much for Your love—love that we honestly can't understand because it's so incredibly deep. Help us keep You in the center of our thoughts and prioritize everything else second.

Amen.
