### READ TOGETHER

#### Matthew 2:2–4

1. **Where** are you seeking Jesus?
2. **Where** is your heart right now?

**WHERE?** is the question!

In verse 2, the wise men followed His star to worship the newborn King. They went looking for Him in the best place they knew—the King's house—and asked, "**Where** is the newborn King of the Jews?"

Verse 4 lets us know that King Herod didn't know where to find the newborn King of the Jews, so he called together his priests and teachers and asked, "**Where** is the Messiah supposed to be born?"

- **Where?** Asked the wise men, so they could reverently worship the newborn King of the Jews.
- **Where?** Asked King Herod because he felt threatened and feared the newborn King of the Jews would replace him.

Jesus came to us in a manger filled with the smell of dirty animals. Are you willing to let Him into your mess? Are you trying to control your Kingdom like Herod? God wants to relieve you of that burden and invites you to trust Him with everything. **Where** will you be when God whispers to you—Follow the Star. Find my Son. Worship Him?

### LEAN ON GOD

Dear God,

We love You, Jesus! Help us to hear You and find You every **WHERE** we go with a heart to worship and obey.

In your name we pray, Amen.
