

## Family Talk– Humility

### READ TOGETHER

---

#### Philippians 2:7-8

1. What stands out to you from these verses?
2. What does it mean to humble yourself in obedience to God?

### LIVE IT

---

We're all important. The real question is - just HOW important do you think you are? We have to be careful because how we view ourselves can lead to pride. You may be great at something, and you can even say you're great at something, but as soon as that something becomes the center of your life, pride has taken over. Always remember, God gave you everything, including what you're able to do really well.

This week go to a close friend who will tell you the truth, and ask them if you're humble or prideful. If the answer is HUMBLE, thank God and keep working on being humble. If it's not the answer you wanted, and PRIDE is visible in your life, then ask God to help you be humble and to put Him at the center of your life.

### LEAN ON GOD

---

Dear God,

Thank You so much for this day. Jesus, thank You for showing us how to be humble by Your example. You came here to live and die FOR US! Thank You for all You have done and continue to do. You're the only reason we can truly be humble.

Amen
