

## Family Talk – The Life of Jesus

### READ TOGETHER

---

[Mark 9:33–37](#)

1. How does it make you feel to read Jesus saying, “If anyone wants to be first, he must be last of all and servant of all.”
2. Why do you think Jesus wants this for you?

### LIVE IT

---

Jesus quiets an argument the disciples were having about who was the greatest by changing this world's meaning of greatness.

This week as a family, talk about the importance of being last and serving others. Choose a way to be last on purpose this week.

At the end of the week share with your family how this made a difference in your life and the life of the person you chose to serve.

### LEAN ON GOD

---

Dear God,

Thank You for serving us. You chose to humble Yourself by coming to earth as a human being, living and dying so we have life. God forgive us when we put ourselves before others. God change our hearts to want to be last for Your sake.

Thank You for Your guidance and Your love.

We love You.

Amen.
