

Family Talk – The Life of Jesus

READ TOGETHER

[Luke 6:20–26](#)

1. God blesses the opposite of what the world values: the poor, the hungry, the weeping and the persecuted. Why?
2. Jesus encourages us to be joyful even when our circumstances are challenging because He meets our needs. What area of your life do you need to give to Jesus and trust that He is fully in control and He will satisfy you?

LIVE IT

During the teaching of the Sermon on the Mount, Jesus clearly outlines the values of the Kingdom of God. It seems most of those don't match what the world values.

As a family discuss some ways you can keep God's values in the front of your mind instead of allowing the world to dictate what matters to you. (Romans 12:1-2)

LEAN ON GOD

Dear God,

Thank you for truly satisfying our deepest desires. Help us trust You and always seek Your guidance in our lives.

Help us remember your blessings. One day we will be filled forever and never have another need. We love you!

Amen.
