

Family Talk – Jesus First

READ TOGETHER

Colossians 1:15–23

1. How do these verses describe Jesus?
2. What did Jesus do for us? What does that mean for us?

LIVE IT

Jesus is awesome! He came to Earth as God in the flesh. He rules over everything. Verse 17 tells us that Jesus is literally holding the world together. Not only that, but Jesus also died and came back to life so we can have a relationship with God.

As a family share the good things that are going on in your lives right now. Spend time thanking God for making you holy and blameless in His presence.

LEAN ON GOD

Dear God,

Thank you for wanting a relationship with each of us. Help us to grow closer together as a family, and help each of us to grow closer to You.

We love You.

Amen.
