

Family Talk – The Life of Jesus

READ TOGETHER

[Luke 1:57–66](#)

1. Earlier in Luke 1 we read that Zechariah was silenced by God because he didn't believe what the angel told him. How would you feel seeing something like that happen to someone you care about?
2. When Zechariah, who couldn't speak or hear, came up with the same name for their son, as his wife Elizabeth, the people were shocked. Why do you think they were shocked?
3. After Zechariah could speak again, the people knew that God was doing something incredible. Have you ever experienced something that you knew was God doing? How did it make you feel?

LIVE IT

This is a miraculous story of God speaking through the actions and circumstances of people's lives. God used silence and agreement between Elizabeth and Zechariah to show His power.

This week set a time each day for everyone to be by themselves for five minutes to talk to God. Then come together and share what you did and what God shared with you.

LEAN ON GOD

Dear God,

Thank You for working in us and around us even when it seems impossible. Thank You for the example of Zechariah and Elizabeth and telling the same story through different people even though they couldn't have talked about it.

Help us hear You speaking to us as a family and not just by ourselves.

We love You.

Amen.
