

## Family Talk – God’s Calling

### READ TOGETHER

---

#### Colossians 1:24–29

1. What did Paul say to the people of Colosse?
2. Why was Paul suffering? Was it because of what he unravels in verses 26-29?
3. How do we share the truth about Jesus with others?

### LIVE IT

---

This passage finds Paul so in love with Christ that he is thankful for his opportunity to suffer for His Savior and the church. The mystery of the world has been shown to Him through Jesus. We are saved by grace and are called to bring others to the full maturity of Christ.

When was the last time you suffered for Christ and His church? As a family share the mystery of the universe with another family who you want to win for Christ. Discuss how you can begin to tell them about Jesus, and show them love using only your own resources.

### LEAN ON GOD

---

Dear God,

Thank You for how You love us! You sent Jesus to be with us and give His life for us. We are so thankful. Help us tell the truth we've learned about who You are, to our friends and people we don't even know yet. Help us find pure joy in growing to maturity and seeing others grow in this way too.

We love You.

Amen.
